

Explore the art galleries, museums, and open studios of Taranaki, Whanganui and Manawatū. The Coastal Arts Trail follows the creative spirit running through these three regions, and gives you insight into the lives and inspirations of the artists and creatives living here.

Take a scenic journey to discover off-the-beaten-track studios, creative rural communities and unique galleries. Learn a new skill at one of the wide range of workshops on offer, and experience the ahurea tuakiri (cultural identities) of new places.

Art is at the heart of these communities, elevating cultural expression and lending vibrancy to life along the lower west coast of the North Island. Enjoy galleries, public and street art, and experience first hand the works of internationally renowned local artists.

Browse the galleries at coastalartstrail.nz to explore new places and immerse yourself in a creative, colourful world.

Whether you have five days or five hours, hit the road on an art-finding odyssey. From contemporary crafts in Whanganui to seafront sculptures in Taranaki to fine arts in Manawatū, each region has something unique to offer.
